

MAPA Safety Committee Meeting

Date: August 10, 2017
Place: MAPA Office
1221 Jefferson Street
Jefferson City, MO 65110

Meeting Minutes

10:00 Welcome & Introductions

- Members present:
 - Rusty Carpenter Superior Bowen
 - Jordan Janet Delta Companies
 - Brandon Atchison MAPA
 - Dale Williams MAPA
 - Cynthia Cox State Tech
 - Randy Besand MO Petroleum
- Safety Minute
 - Discussion among members regarding silica exposure standards, and DOT hours of service and logging regulations.
 - Enforcement dates are coming for both this fall. We must educate ourselves and our colleagues.
 - Good topics to focus on for fall meeting and MAPA Conference

10:10 Review Anti-Trust Statement and Meeting Minutes

- MAPA Anti-Trust Statement was distributed and reviewed
- Minutes from the July 18, 2017 MAPA Safety Committee Meeting were distributed and reviewed
 - Motion and second were made to approve the minutes

10:12 Review of MAPA Safety Committee Mission Statement

- Mission Statement is reviewed to introduce new members to the purpose and goals of the MAPA Safety Committee
- Serves as a reminder to existing members the purpose and goals of the MAPA Safety Committee

10:15 Committee Bylaws were reviewed

- Suggestions from John View were reviewed regarding changes to MAPA Safety Committee Bylaws
 - 1.2 Remain as is
 - 1.3 Language changed to remove “assets”

- 2.2 Remain as is to encourage more participation
- 3.2 Remain as is – as previously discussed
- 4.1 Remove “secret” from ballot description
- Motion and second were made to approve the changes to the bylaws.

10:30 Plans MAPA Safety Committee Fall Meeting

- Reconnect with IAPA to plan for their participation – Jordan J.
- Silica Standard as topic of discussion
 - Jordan, Dale W. and Randy B. will each work on scheduling an industry expert to address the topic at the meeting
 - Possibly a good topic to present on at MAPA Conference (at a higher, more general level)
- 10/13/2017 – location to be determined
 - Contact Fred Weber to secure meeting location - Jordan

10:45 Current “hot topics” in our industry

- DOT Hours of Service (HOS) Discussion
 - 30-minute break provision
 - How to handle it and log it
 - Discussion on upcoming eLogs and their effect on our industry
 - HOS regulation summary document reviewed
 - Jordan will have document reviewed by industry expert to possibly share with members
- AC burns
 - Important to educate hospitals
 - Good information provided by AI and NAPA
 - Produce/Provide information cards and other forms of communications
- Use of seat-belts on equipment
 - Purpose and use of seat-belts with and without ROPS

11:15 Meeting Evaluation

- Good topics, questions and discussion
- Fruits of our labor are finally coming to fruition
- Good to see that we are to a point where we can be productive as a team

11:20 Overview of activities at the MAPA Annual Meeting

11:30 Adjourn
