The Missouri Asphalt Pavement Association is proud to recognize innovation in safety throughout the state of Missouri. Recognition will be given to applicants annually, and will be selected based on the following criteria:

- The innovation must be relevant and applicable to promote the health and safety of those involved in the asphalt industry.
- The innovation must be effective and original. Innovations can improve already existing technologies.

Submittals are due by November 15th. Applications will be reviewed by a panel assembled by the Safety Committee, with recognition presented each year at the Annual Conference.

Submittal Instructions

Instructions

- Complete the Safety Innovation Nomination Form
- Submit pictures and video, if applicable

Eligibility

Any MAPA member including MoDOT may submit an innovation.

- The MAPA Safety Committee will determine if sub-categories will be necessary

Judging Criteria

Entry judges will be looking for the following:

1. Relevance to the advancement of safe practices in our represented industries.
2. Features new methods; advanced and original
3. Introduces new ideas; original and/or creative thinking (including improvement upon existing practices, processes, and ideas).

Judges

All entries will be evaluated by the MAPA Safety Committee. Safety Committee members will not be eligible to vote on entries from the company they represent.

Prizes

A plaque will be presented at the Annual Conference.
Safety Innovation Nomination Form
